Wholesale Solar 9.6kW Battery Backup System Expansion

Add battery storage to your backup power system with this compact 9.6kW battery box with eight 6 volt, 200 amp hour sealed batteries and all required wiring. Maintenance free but ready to deliver extended power when the lights go out.

You can add up to 2 of these boxes to your basic system.

PN: 9235003

At Wholesale Solar we have assembled hundreds of these systems. Call us today and let us design your new renewable energy system!
