## **Solar Sky Gridtie System 4,140 watts**

This Solar Sky Grid-tie System combines Trina solar modules and a Solectria inverter to power up your home or business. Complete with extension cables, disconnects and a wiring diagram, you'll be ready to use the power from the sun in no time.

With the Solar Sky Gridtie System a lot of the hard work has already been done for you. Virtually maintenance-free with an expected life of over 30 years, your investment will increase in value every time electricity rates go up.

Please ask us about racking options.

**At Wholesale Solar  
we have assembled
